Working together as a local body of Christ is essential if we are to accomplish the tasks that God has for us. From Bradenton RF's Pastor Seth:

Chile has need of us, and we want to be there to answer the call. This group of wonderful people will be heading down to do outreach in July. We will be doing construction, ministering to the people in small groups, in prayer, and with love. Our goal is to support the native pastoral team there on the ground, Richard and Cata Latin. They have been working hard and planting a network of churches with their children. Our very own Melissa Miller was there for a 3 month internship last year to complete her degree. She knows the turf and is ready to help with details. She is also the one who speaks Spanish! Yeah Melissa! We Leave in July and will be there for about ten days to do the work we need to do. Proverbs 9:10-11

Wisdom says: "The fear of the LORD is the beginning of wisdom, and the knowledge of the Holy One is understanding. For by me your days will be multiplied, and years of life will be added to you."
