## Pictorial Directory Update

Our first Restoration Fellowship Pictorial Directory is on it's way to the press! Thank you, everyone, for your cooperation and patience!

## Disaster Preparation Report

The Disaster Prep Team is putting out a plea for foods to stock the pantry to be ready in times of crisis. The list on the Welcome Kiosk gives an idea of items we will be storing. Many hands make light work. Also, if you have an interest in joining the team, call Benjie Esch at 574-343-3134.

## Update from Haiti

The Francois family has the opportunity to purchase property to build a home for orphans (a home, not an orphanage), a church and possibly a Community Center as they partner with the Eagle Point Church of Georgia. Donations can be made through RF.

## Our Core Values Leadership

The eldership team has the freedom and responsibility to lead the church under the Lordship of Jesus Christ who is the head of the church. A presiding elder gives overall direction to the eldership and is responsible to manage the daily activities of the congregation. Instead of doing all the ministry, elders are responsible to train and equip the people and release them to engage in their callings and ministries.
