## Our Core Values The Work of the Holy Spirit

The main focus of the church is to be outward rather than inward and the local congregation is the main tool God uses to bring transformation to communities. Reaching out to others is not simply one of the things we do, but the focus of everything we do as a church. Extending the kingdom of God, both at home and around the world, must be at the forefront of our minds in every decision we make.

## Philippians 4:19

But my God shall supply ALL your need according to His riches in glory by Christ Jesus.
